Subject: BCAG 2004 FTIP Administrative Amendment #21– Request for State Approval for Technical Correction on Local HBRR Project – City of Chico Bridge #12C0238

Mr. Bagde:

The Butte County Association of Governments (BCAG) administratively amended the 2004 Butte County FTIP (#18). BCAG respectfully request state approval for:

Local HBRR Project – Cohasset Rd Over Sycamore Creek Project. The purpose of this amendment was to perform a technical correction. This project was originally programmed in March 2006 and has obtained state and federal approval. However, BCAG inadvertently programmed preliminary engineering (PE) funds in the construction component. This error on BCAG's part was recently realized as the City of Chico proceeded through the Request for Authorization process. This technical correction programs the funds as originally intended and moves FFY 05/06 funding to the PE component. No other changes were made. All FTIP Amendment material can be found at BCAG's website at: http://www.bcag.org/planning/2004_ftip.html.

On behalf of the Butte County Association of Governments, we respectfully request State approval on this administrative amendment to the 2004 Butte County FTIP Amendment #21. If you have any questions, please contact Mr. Iván García, Programming Manager for BCAG directly at 530-879-2468.

Thank you for your assistance.

Iván García
Programming Manager
